Meeting Minutes

Present: Allison Litten, Jameson Davis, Joan Ponzoni, Laura Cooney, Michelle Boleski, Skye Murray, Gayle Ottmann

Meeting Started on time. Last meetings minutes approved, as well as agenda for tonight's meeting at 5:25.

Our agenda focused on the finalization of Sister City of Cenon's delegation visit. We learned of more donations, and worked to make Monday's dinner at the Town Hall more formalized.

Alison very graciously updated the itinerary in Google documents, and created a sign-up sheet for the Monday evening dinner. Gayle will sent list of folks we have donate thus far so I can appropriately follow up with thank you notes.

Holes in our schedule we needed to fill were Sunday at lunch- we decided on Chef Brad's Crazy side. Laura will reach out to our photographer to have her join us at more events as she is able, including the Night Hawks game on Sunday night the 24th.

We spoke of the plans for Wednesday, including a time at the Center for Transformational Practice, visiting Revolution store in WRJ, visiting King Arthur or the CoOp for Picnic lunch, then going to South Royalton to tour the Vermont Law School, dinner options are a restaurant in So. Royalton. Brett will then drive them to NYC on Thursday morning the 27th of June.

The day the drive to Harford, Joan will call Brett when they have crossed the border to know what time they will be in for dinner on Saturday night the 23th of June at the Gariepy house in Hartford.

Next meeting will be June 19th, 2018 at 5:15 PM at the Town Hall.

Respectfully submitted by Skye Murray
