BIRDS & BERRIES
WALK WITH
NATURALIST &
AUTHOR TED LEVIN
THURSDAY, 8/17
5:30 PM HARTFORD
TOWN FOREST

The walk will include a discussion of forest birds and distribution of berries to be established in recently cut areas. Participants should bring native berries, not bushes; Red flowering raspberry, raspberry, blueberry, Solomon seal and false Solomon seal, shadbush, doll’s eyes, dogbane, etc. Please no berries from non-native plants such as Japanese Honeysuckle.
